This book can be read as a charming epic tale of how MUSIC was discovered by an ancient people, yet it is far more than that! It is also the story of an epic journey by the hero to find a way to overthrow a cruel dictator who was dominating his people with fierce cruelty. And yet it is far more than that! It is rich with descriptions of the nature of the elements of Earth, Water and Wind and how they metaphorically represent the elements of Music - Rhythm, Harmony and Melody. The discerning reader will discover great ones depending on wherever he/she is on the journey to discover TRUTH. Entertaining! Fascinating! Creative, as well as being a book of knowledge."
