After surviving a horrific and brutal attack, ballerina Lucy Kane is shattered. Although rescued and placed under the loving care of her sister Emily, Lucy finds herself mired in the nightmares of her attack. She loses herself and her love of dance, unable to find her way back out of the darkness. Detective Jamie Grant can't forget the sweet blue eyes and delicate weight of Lucy Kane in his arms. After rescuing her, he is drawn to her like a moth to a flame and is determined to help see her through her recovery. Fighting against Lucy's anger and denial, Jamie firmly pushes her forward, insistently pulling her out of her nightmares and into the warm light of love and recovery. As the two grow closer, Lucy realizes she cannot bear the responsibility of burdening someone else with her trauma and its dark consequences. She fears that if she told Jamie what really scared her, he would turn away and reject her. Unable to bear rejection, Lucy denies her heart and her love for Jamie. Jamie has other ideas. He didn't become the best detective in the LAPD for nothing. Lucy has captured his heart, and there is no going back. His determination to uncover her hidden fears and wipe them away drives him more than anything has in his life. As he closes in on a dangerous sting operation with his fellow LAPD officers, Jamie also closes in on his quest to win Lucy. But will it be too late? Can Lucy find the courage to reveal her true self to Jamie before tragedy separates them forever? **This is a standalone novella with a HEA.
