This vintage book contains a comprehensive guide to breeding rabbits for profit, with information on selection, housing, feeding, marketing, and more. Highly-accessible and full of useful information, this time book will be of considerable utility to the modern reader with an interest in rabbit breeding, and would make for a valuable addition to collections of related literature. Contents Include: Commercial Possibilities, The Different Breeds, Rabbitry, Construction Foods and Feeding, Breeding, Keeping Records, Diseases and Ailments, Marketing the Products, Killing and Dressing, Preparing and Cooking, etc. Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this volume now in an affordable, high-quality edition complete with a specially commissioned new introduction on breeding rabbits. This book was originally published in 1927."
