Aren't you guys tired of boring, cheap, and worst OVER PRICED travel guides? In most cases, wikipedia is much better, complete and dynamic. When we traveled, we tried to ask friends, or friends of friends who were "locals". That is where we got the best tips by far, the most valuable ones about our travel destinations. Buy this book Now and truly enjoy Berlin without getting BANKRUPT! Now, Are You Ready for An Adventure? Berlin Is Waiting for You! We are not trying to market this travel book, nor trying to beat around the bush, on why you need this..... why this is better than the others. As you see, Berlin is not just about Reichstag, Fernsehturm, Berlin Wall, Alexanderplatz, Eisfabrik, their famous street art! THERE IS SOOOO MUCH MORE TO SEE without getting you bankrupt! My goal is simple. I will help you prepare your trip to Berlin transforming it into absolutely amazing experience. I will help you simplify your path, showing you exactly where the best places are. Sounds too difficult? It's not. I will show you how. I will take you through a step by step guide where you simply can't get lost! Together, we will go to the roots of Berlin and you will end up LOVING every bit of it! I wrote this book specifically thinking in you: the tourist, the traveller, the free spirit who dares to go beyond the limits of their own country. I wrote this book to show you how you can have an absolutely amazing experience while you are in Berlin. I will tell you where you should go, eat, sleep, and of course, party! You see, I may not know you, but I know something about you: both you and me are alike. We

like to prepare ourselves.

We like to incorporate solid knowledge before we dive in.

And I know you won't just settle for average travel guides! I know you are looking for something better; something that will truly help you down the road: a book with real life tips, recommendations, useful travel hacks and data... everything you may need in your trip. You've just found what you were looking for! It's such a good idea to prepare yourself before leaving. Aren't you excited? Most likely than not, you are! Maybe you have already formed a vague idea of what the travel experience will imply, and maybe it feels a bit overwhelming. You see, when it comes to travelling we are ALL in the same game, and yet most people don't realize it. Most people don't even take the time to prepare themselves in advance, and just wish for the best once they have arrived! Most people aren't aware of some of the most amazing places BERLIN can offer... And it'd be such a pity to miss them! That's precisely why we desperately need the RIGHT travel guide first.
