She doesn't know what bit her...Seemingly overnight, Claire Morgan has transformed: the normally mousy schoolteacher is now bold, and her behavior is truly wild. Her eyes gleam silver. Suddenly she's a self-confident femme fatale with a libido that just won't quit. After an impulsive makeover, she's even...dare she say it?...

sexy. Is Claire going insane? Then brutally handsome stranger Gideon March tells her she was bitten by a werewolf, and Claire figures he's the insane one. Sure, she was attacked by a nasty dog in a back alley, but this guy stalking her says he's a member of an underground society of lycan hunters -- and his mission is to kill her immediately. When Claire finally realizes she really is a lycan, there's no turning back -- because by now Claire and Gideon are bound by a hungry passion. If they can't break the curse by the next full moon, Claire's soul will be lost forever and Gideon will be forced to terminate his prey -- a woman dangerously close to devouring him, heart and soul.
