What if your entire life changed in the space of a weekend? When Rebecca's friend Abi convinces her to get away from it all at the fabulous Hawksley Manor hotel in York, it seems too good to be true.

Pampering and relaxation is just what Rebecca needs to distract herself from the creeping suspicion that her husband, Greg, is hiding something from her. She never imagined that by the end of the weekend she would have dined with celebrities or danced the night away in exclusive clubs. Nor could she have predicted she would meet famous footballer, Alex Heath, or that he would be the one to show her that she deserved so much more ... But no matter how amazing a weekend is, it's always back to reality come Monday morning – isn't it?
