Orphaned Gwendolyn knows she will be thrown to the street on her 18th birthday – just one year away. All she dreams of is to be part of a loving family, and know and marry a man who will truly cherish her. When naïve Gwen is convinced to run away with smooth talking Oscar Hunter her longing for love blinds her to his true intentions. Abandoned as a child, she is now abandoned again by the man she thought she loved. It is only the kindness of an elderly Christian mother traveling on the same westbound train that saves Gwendolyn from utter despair. The miracle of forgiveness opens a door that leads to a future and a marriage that Gwen could never have dreamed possible. Gwendolyn’s miraculous story is just one of the amazing tales of Young Love Historical Romance by #1 bestselling clean Christian romance author, Terri Grace, and co-author, Misty Shae. Each story is a great read in itself, and can be read alone, or even better read them all as part of this one-of-a-kind series.
